| Clone                       | 484804                                                                                      |
| Preservative                | No Preservative                                                                             |
| Isotype                     | IgG2a                                                                                       |
| Conjugate                   | HRP                                                                                         |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 6259                                                                                        |
| Gene Symbol                 | RYK                                                                                         |
| Species                     | Human                                                                                       |
| Specificity/Sensitivity     | Detects human Ryk in ELISA.                                                                 |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Ryk Met1-Arg224<br>Accession # P34925 |
| Product Application Details |                                                                                             |
| Applications                | Western Blot                                                                                |
| Recommended Dilutions       | Western Blot                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
