SEZ6L2/BSRP-A Antibody (529805) [Janelia Fluor® 646]

| Product Information         |                                                                                                                                                                   |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                       |
| Storage                     | Store at 4C in the dark.                                                                                                                                          |
| Clonality                   | Monoclonal                                                                                                                                                        |
| Clone                       | 529805                                                                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                |
| Isotype                     | IgG2a                                                                                                                                                             |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                 |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                |
| Product Description         |                                                                                                                                                                   |
| Host                        | Rat                                                                                                                                                               |
| Gene ID                     | 26470                                                                                                                                                             |
| Gene Symbol                 | SEZ6L2                                                                                                                                                            |
| Species                     | Mouse                                                                                                                                                             |
| Specificity/Sensitivity     | Detects mouse SEZ6L2/BSRP-A in direct ELISAs and Western blots. In direct ELISAs, no cross-reactivity with recombinant mouse (rm) BSRP□B or rmBSRP□C is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse SEZ6L2/BSRP-A Leu28-Ser837<br>Accession # Q4V9Z5                                                            |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                             |
| Product Application Details |                                                                                                                                                                   |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                            |
