**FAB49692Y**

BAI1 Antibody (1019031) [DyLight 680]

| Product Information         |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                     | Store at 4C in the dark.                                                                               |
| Clonality                   | Monoclonal                                                                                             |
| Clone                       | 1019031                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                     |
| Isotype                     | IgG2a                                                                                                  |
| Conjugate                   | DyLight 680                                                                                            |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                             |
| Buffer                      | 50mM Sodium Borate                                                                                     |
| Product Description         |                                                                                                        |
| Host                        | Mouse                                                                                                  |
| Gene ID                     | 575                                                                                                    |
| Species                     | Human                                                                                                  |
| Specificity/Sensitivity     | Detects human BAI1 in direct ELISAs.                                                                   |
| Immunogen                   | HEK293 human embryonic kidney cell line transfected with human BAI1 Ala31-Thr879<br>Accession # O14514 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                      |
| Product Application Details |                                                                                                        |
| Applications                | Flow Cytometry, CyTOF-ready, Immunocytochemistry                                                       |
| Recommended Dilutions       | Flow Cytometry, Immunocytochemistry, CyTOF-ready                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
