Ninjurin-1 Antibody (758926) [DyLight 594]

| Product Information         |                                                                                                                                 |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                     |
| Storage                     | Store at 4C in the dark.                                                                                                        |
| Clonality                   | Monoclonal                                                                                                                      |
| Clone                       | 758926                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                              |
| Isotype                     | IgG1                                                                                                                            |
| Conjugate                   | DyLight 594                                                                                                                     |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                              |
| Product Description         |                                                                                                                                 |
| Host                        | Mouse                                                                                                                           |
| Gene ID                     | 4814                                                                                                                            |
| Gene Symbol                 | NINJ1                                                                                                                           |
| Species                     | Human                                                                                                                           |
| Specificity/Sensitivity     | Detects human Ninjurin-1 in direct ELISAs. In direct ELISAs, no cross-reactivity with recombinant human Ninjurin-2 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Ninjurin-1<br>Asp2-Val81<br>Accession # Q92982                                        |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                               |
| Product Application Details |                                                                                                                                 |
| Applications                | Flow Cytometry, Immunohistochemistry, CyTOF-ready                                                                               |
| Recommended Dilutions       | Flow Cytometry, Immunohistochemistry, CyTOF-ready                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                          |
