PLA2G7/PAF-AH/Lp-PLA2 Antibody (973010) [PE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 973010                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | PE                                                                                          |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                    |
|-------------------------|----------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                              |
| Gene ID                 | 7941                                                                                               |
| Species                 | Human                                                                                              |
| Specificity/Sensitivity | Detects human PLA2G7Phe22-Asn441 in direct ELISAs.                                                 |
| Immunogen               | <i>E. coli</i> -derived recombinant human PLA2G7/PAF□AH/Lp□PLA2 Phe22-Asn441<br>Accession # Q13093 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA                                                                  |
| Recommended Dilutions       | ELISA                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
