Gremlin 1 Antibody (955323) [Dylight 405]

| Product Information         |                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.     |
| Storage                     | Store at 4C in the dark.                                                                        |
| Clonality                   | Monoclonal                                                                                      |
| Clone                       | 955323                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                              |
| Isotype                     | IgG1                                                                                            |
| Conjugate                   | DyLight 405                                                                                     |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                      |
| Buffer                      | 50mM Sodium Borate                                                                              |
| Product Description         |                                                                                                 |
| Host                        | Mouse                                                                                           |
| Gene ID                     | 26585                                                                                           |
| Species                     | Human                                                                                           |
| Specificity/Sensitivity     | Detects human Gremlin in direct ELISAs.                                                         |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Gremlin Met1-Asp184<br>Accession # O60565 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.               |
| Product Application Details |                                                                                                 |
| Applications                | ELISA                                                                                           |
| Recommended Dilutions       | ELISA                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                          |
