**FAB52341F**

CRTAC1 Antibody (755339) [FITC]

| Product Information         |                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.        |
| Storage                     | Store at 4C in the dark.                                                                           |
| Clonality                   | Monoclonal                                                                                         |
| Clone                       | 755339                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                 |
| Isotype                     | IgG2b                                                                                              |
| Conjugate                   | FITC                                                                                               |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                         |
| Buffer                      | PBS                                                                                                |
| Product Description         |                                                                                                    |
| Host                        | Mouse                                                                                              |
| Gene ID                     | 55118                                                                                              |
| Gene Symbol                 | CRTAC1                                                                                             |
| Species                     | Human                                                                                              |
| Specificity/Sensitivity     | Detects human CRTAC1 in direct ELISAs and Western blots.                                           |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human CRTAC1<br>Ser28-Cys661<br>Accession # Q9NQ79 |
| Product Application Details |                                                                                                    |
| Applications                | Western Blot                                                                                       |
| Recommended Dilutions       | Western Blot                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                             |
