**FAB54371A**

GPR115 Antibody (527018) [Allophycocyanin]

| Product Information         |                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.             |
| Storage                     | Store at 4C in the dark.                                                                                |
| Clonality                   | Monoclonal                                                                                              |
| Clone                       | 527018                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                      |
| Isotype                     | IgG1                                                                                                    |
| Conjugate                   | Allophycocyanin                                                                                         |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                              |
| Buffer                      | PBS                                                                                                     |
| Product Description         |                                                                                                         |
| Host                        | Mouse                                                                                                   |
| Gene ID                     | 221393                                                                                                  |
| Species                     | Human                                                                                                   |
| Specificity/Sensitivity     | Detects human GPR115 in direct ELISAs.                                                                  |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human GPR115 Ser22-Ala347<br>Accession # Q8IZF3 |
| Product Application Details |                                                                                                         |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready                                                               |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                  |
