| Clonality                   | Monoclonal                                                                                                                                                                                                                 |
| Clone                       | 555                                                                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                         |
| Isotype                     | IgG2a                                                                                                                                                                                                                      |
| Conjugate                   | PerCP                                                                                                                                                                                                                      |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                                 |
| Buffer                      | PBS                                                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                                                            |
| Host                        | Rat                                                                                                                                                                                                                        |
| Gene ID                     | 3897                                                                                                                                                                                                                       |
| Gene Symbol                 | L1CAM                                                                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects mouse L1CAM in direct ELISAs. In direct ELISAs, no cross-reactivity with recombinant human (rh) ALCAM, rhBCAM, rhEPCAM, rhMCAM, rhNCAM, rhNCAM-L1, rhOBCAM, recombinant mouse (rm)MAdCAM-1, or rmOCAM is observed. |
| Immunogen                   | Mouse cerebellum-derived partially purified L1CAM                                                                                                                                                                          |
| Product Application Details |                                                                                                                                                                                                                            |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                     |
