E-Selectin/CD62E Antibody (96419) [PerCP]

| Product Information         |                                                                                                                                                                             |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                 |
| Storage                     | Store at 4C in the dark.                                                                                                                                                    |
| Clonality                   | Monoclonal                                                                                                                                                                  |
| Clone                       | 96419                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                          |
| Isotype                     | IgG1                                                                                                                                                                        |
| Conjugate                   | PerCP                                                                                                                                                                       |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                  |
| Buffer                      | PBS                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                             |
| Host                        | Rat                                                                                                                                                                         |
| Gene ID                     | 6401                                                                                                                                                                        |
| Gene Symbol                 | SELE                                                                                                                                                                        |
| Species                     | Mouse                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects mouse E-Selectin in ELISAs and Western blots. Does not cross-react with recombinant human (rh) E <sup>s</sup> Selectin, rmL-Selectin, or rhP <sup>s</sup> Selectin. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse E-Selectin Trp22-Pro557<br>Accession # Q00690                                                                         |
| Product Application Details |                                                                                                                                                                             |
| Applications                | Western Blot, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair)                                                 |
| Recommended Dilutions       | Western Blot, ELISA Standard (Matched Pair), ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair)                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                      |
