5'-Nucleotidase/CD73 Antibody (606117) [FITC]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 606117                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | FITC                                                                                        |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                           |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                     |
| Gene ID                 | 4907                                                                                                                      |
| Species                 | Human, Mouse, Rat                                                                                                         |
| Specificity/Sensitivity | Detects human 5'-Nucleotidase/CD73 in direct ELISAs. Detects human, mouse, and rat 5'-Nucleotidase/CD73 in Western blots. |
| Immunogen               | Chinese hamster ovary cell line CHO-derived recombinant human 5'-Nucleotidase/CD73 Trp27-Ile511<br>Accession # P21589     |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
