| Clone                       | 695791                                                                                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                  |
| Isotype                     | IgG2b                                                                                                                                                                                               |
| Conjugate                   | DyLight 755                                                                                                                                                                                         |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                     |
| Host                        | Mouse                                                                                                                                                                                               |
| Gene ID                     | 9217                                                                                                                                                                                                |
| Gene Symbol                 | VAPB                                                                                                                                                                                                |
| Species                     | Human                                                                                                                                                                                               |
| Specificity/Sensitivity     | Detects human VAP-B in direct ELISAs. In direct ELISAs, approximately 50% cross-reactivity with recombinant rat VAP-B is observed and no cross-reactivity with recombinant human VAP-A is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human VAP-B<br>Ala2-Pro132<br>Accession # O95292                                                                                                                |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                   |
| Product Application Details |                                                                                                                                                                                                     |
| Applications                | Immunohistochemistry                                                                                                                                                                                |
| Recommended Dilutions       | Immunohistochemistry                                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                              |
