| Clonality                   | Monoclonal                                                                                                               |
| Clone                       | 1029734                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                       |
| Isotype                     | IgG1                                                                                                                     |
| Conjugate                   | FITC                                                                                                                     |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                               |
| Buffer                      | PBS                                                                                                                      |
| Product Description         |                                                                                                                          |
| Host                        | Mouse                                                                                                                    |
| Gene ID                     | 2717                                                                                                                     |
| Species                     | Human                                                                                                                    |
| Specificity/Sensitivity     | Detects human alpha-Galactosidase A/GLA in direct ELISAs.                                                                |
| Immunogen                   | Chinese Hamster Ovary cell line CHO-derived human alpha-Galactosidase A/GLA protein<br>Met1-Leu429<br>Accession # P06280 |
| Product Application Details |                                                                                                                          |
| Applications                | Immunocytochemistry                                                                                                      |
| Recommended Dilutions       | Immunocytochemistry                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                   |
