Gastrokine 1 Antibody (665701) [Biotin]

| Product Information         |                                                                                                                                     |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                         |
| Storage                     | Store at 4C in the dark.                                                                                                            |
| Clonality                   | Monoclonal                                                                                                                          |
| Clone                       | 665701                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                  |
| Isotype                     | IgG1                                                                                                                                |
| Conjugate                   | Biotin                                                                                                                              |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                          |
| Buffer                      | PBS                                                                                                                                 |
| Product Description         |                                                                                                                                     |
| Host                        | Mouse                                                                                                                               |
| Gene ID                     | 56287                                                                                                                               |
| Gene Symbol                 | GKN1                                                                                                                                |
| Species                     | Human                                                                                                                               |
| Specificity/Sensitivity     | Detects human Gastrokine 1 in direct ELISAs. In direct ELISAs, no cross-reactivity with recombinant mouse Gastrokine 1 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Gastrokine 1<br>Asn35-Asn199<br>Accession # Q9NS71                                        |
| Product Application Details |                                                                                                                                     |
| Applications                | Immunohistochemistry                                                                                                                |
| Recommended Dilutions       | Immunohistochemistry                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                              |
