**FAB6452P**

Wnt-5a Antibody (871117R) [PE]

| Product Information         |                                                                                                            |
|-----------------------------|------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                |
| Storage                     | Store at 4C in the dark.                                                                                   |
| Clonality                   | Monoclonal                                                                                                 |
| Clone                       | 871117R                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                         |
| Isotype                     | IgG1                                                                                                       |
| Conjugate                   | PE                                                                                                         |
| Purity                      | Protein A or G purified from cell culture supernatant                                                      |
| Buffer                      | PBS                                                                                                        |
| Product Description         |                                                                                                            |
| Host                        | Mouse                                                                                                      |
| Gene ID                     | 7474                                                                                                       |
| Species                     | Human                                                                                                      |
| Specificity/Sensitivity     | Detects human Wnt-5a in direct ELISAs.                                                                     |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human Wnt-5a<br>Gln38-Lys380<br>Accession # P41221 |
| Product Application Details |                                                                                                            |
| Applications                | ELISA                                                                                                      |
| Recommended Dilutions       | ELISA                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                     |
