EBI3 Antibody (607215) [DyLight 488]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Monoclonal                                                                                       |
| Clone                       | 607215                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                               |
| Isotype                     | IgG1                                                                                             |
| Conjugate                   | DyLight 488                                                                                      |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                       |
| Buffer                      | 50mM Sodium Borate                                                                               |
| Product Description         |                                                                                                  |
| Host                        | Mouse                                                                                            |
| Gene ID                     | 10148                                                                                            |
| Species                     | Human                                                                                            |
| Specificity/Sensitivity     | Detects human EBI3 in ELISAs for IL-39 detection.                                                |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human EBI3<br>Arg21-Lys229<br>Accession # Q14213 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                |
| Product Application Details |                                                                                                  |
| Applications                | ELISA                                                                                            |
| Recommended Dilutions       | ELISA                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
