BRIP1/FANCI Antibody (652747) [DyLight 680]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 652747                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 680                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                                                                            |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                                                      |
| Gene ID                 | 83990                                                                                                                                                                                                      |
| Gene Symbol             | BRIP1                                                                                                                                                                                                      |
| Species                 | Human                                                                                                                                                                                                      |
| Specificity/Sensitivity | Detects human BRIP1/FANCI in direct ELISAs and Western blots. In Western blots, no cross-reactivity with recombinant human (rh) FANCA, D2, E, F, G, I, L, M, or recombinant mouse BRIP1/FANCI is observed. |
| Immunogen               | <i>E. coli</i> -derived recombinant human BRIP1/FANCI<br>Ser2-Arg160<br>Accession # Q9BX63                                                                                                                 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                          |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
