Amphiphysin/AMPH Antibody (694121) [Biotin]

| Product Information         |                                                                                                   |
|-----------------------------|---------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.       |
| Storage                     | Store at 4C in the dark.                                                                          |
| Clonality                   | Monoclonal                                                                                        |
| Clone                       | 694121                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                |
| Isotype                     | IgG2b                                                                                             |
| Conjugate                   | Biotin                                                                                            |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                        |
| Buffer                      | PBS                                                                                               |
| Product Description         |                                                                                                   |
| Host                        | Mouse                                                                                             |
| Gene ID                     | 273                                                                                               |
| Gene Symbol                 | AMPH                                                                                              |
| Species                     | Human, Mouse                                                                                      |
| Specificity/Sensitivity     | Detects human Amphiphysin/AMPH in direct ELISAs.                                                  |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Amphiphysin/AMPH<br>Asn204-Gly300<br>Accession # P49418 |
| Product Application Details |                                                                                                   |
| Applications                | Western Blot                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                            |
