Dkk-2 Antibody (994930) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 994930                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                               |
|-------------------------|-----------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                         |
| Gene ID                 | 27123                                                                                         |
| Species                 | Human                                                                                         |
| Specificity/Sensitivity | Detects human Dkk-2 in direct ELISAs.                                                         |
| Immunogen               | Chinese Hamster Ovary cell line, CHO-derived human Dkk-2 Met1-Ile259<br>Accession # NP_055236 |

| Product Application Details |                                                                                     |
|-----------------------------|-------------------------------------------------------------------------------------|
| Applications                | Immunohistochemistry, Immunocytochemistry, Intracellular Staining by Flow Cytometry |
| Recommended Dilutions       | Immunohistochemistry, Intracellular Staining by Flow Cytometry, Immunocytochemistry |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.              |
