**FAB6788H****NLRP1/NALP1 Antibody (447916) [HRP]**

| <b>Product Information</b>         |                                                                                                |
|------------------------------------|------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                         |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.    |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                       |
| <b>Clonality</b>                   | Monoclonal                                                                                     |
| <b>Clone</b>                       | 447916                                                                                         |
| <b>Preservative</b>                | No Preservative                                                                                |
| <b>Isotype</b>                     | IgG2b                                                                                          |
| <b>Conjugate</b>                   | HRP                                                                                            |
| <b>Purity</b>                      | Protein A or G purified from cell culture supernatant                                          |
| <b>Buffer</b>                      | PBS                                                                                            |
| <b>Product Description</b>         |                                                                                                |
| <b>Host</b>                        | Mouse                                                                                          |
| <b>Gene ID</b>                     | 22861                                                                                          |
| <b>Species</b>                     | Human                                                                                          |
| <b>Specificity/Sensitivity</b>     | Detects human NLRP1/NALP1 in direct ELISAs.                                                    |
| <b>Immunogen</b>                   | <i>E. coli</i> -derived recombinant human NLRP1/NALP1<br>Gly1331-Leu1429<br>Accession # Q9C000 |
| <b>Product Application Details</b> |                                                                                                |
| <b>Applications</b>                | Immunohistochemistry                                                                           |
| <b>Recommended Dilutions</b>       | Immunohistochemistry                                                                           |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                         |
