Protogenin Antibody (814403) [DyLight 488]

| Product Information         |                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.         |
| Storage                     | Store at 4C in the dark.                                                                            |
| Clonality                   | Monoclonal                                                                                          |
| Clone                       | 814403                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                  |
| Isotype                     | IgG1                                                                                                |
| Conjugate                   | DyLight 488                                                                                         |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                          |
| Buffer                      | 50mM Sodium Borate                                                                                  |
| Product Description         |                                                                                                     |
| Host                        | Mouse                                                                                               |
| Gene ID                     | 283659                                                                                              |
| Gene Symbol                 | PRTG                                                                                                |
| Species                     | Human                                                                                               |
| Specificity/Sensitivity     | Detects human Protogenin in direct ELISAs.                                                          |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Protogenin Phe36-Ala952<br>Accession # Q2VWP7 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                   |
| Product Application Details |                                                                                                     |
| Applications                | Neutralization                                                                                      |
| Recommended Dilutions       | Neutralization                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                              |
