PRAS40 [p Thr246] Antibody (1211A) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1211A                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Host                    | Rabbit                                                                     |
| Gene ID                 | 84335                                                                      |
| Gene Symbol             | AKT1S1                                                                     |
| Species                 | Human                                                                      |
| Specificity/Sensitivity | Detects human and mouse PRAS40 when phosphorylated at T246.                |
| Immunogen               | Phosphopeptide containing the human PRAS40 T246 site<br>Accession # Q96B36 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
