GABA-B R1 Antibody (751216) [Biotin]

| Product Information         |                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.             |
| Storage                     | Store at 4C in the dark.                                                                                |
| Clonality                   | Monoclonal                                                                                              |
| Clone                       | 751216                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                      |
| Isotype                     | IgG2a                                                                                                   |
| Conjugate                   | Biotin                                                                                                  |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                              |
| Buffer                      | PBS                                                                                                     |
| Product Description         |                                                                                                         |
| Host                        | Mouse                                                                                                   |
| Gene ID                     | 2550                                                                                                    |
| Gene Symbol                 | GABBR1                                                                                                  |
| Species                     | Rat                                                                                                     |
| Specificity/Sensitivity     | Detects rat GABAB R1 in direct ELISAs.                                                                  |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant rat GABAB R1 Gly17-Leu586<br>Accession # Q9Z0U4 |
| Product Application Details |                                                                                                         |
| Applications                | Immunohistochemistry                                                                                    |
| Recommended Dilutions       | Immunohistochemistry                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                  |
