Mind Bomb 2/MIB2 Antibody (739501) [FITC]

| Product Information         |                                                                                                   |
|-----------------------------|---------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.       |
| Storage                     | Store at 4C in the dark.                                                                          |
| Clonality                   | Monoclonal                                                                                        |
| Clone                       | 739501                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                |
| Isotype                     | IgG2b                                                                                             |
| Conjugate                   | FITC                                                                                              |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                        |
| Buffer                      | PBS                                                                                               |
| Product Description         |                                                                                                   |
| Host                        | Mouse                                                                                             |
| Gene ID                     | 142678                                                                                            |
| Gene Symbol                 | MIB2                                                                                              |
| Species                     | Human                                                                                             |
| Specificity/Sensitivity     | Detects human Mind Bomb 2/MIB2 in direct ELISAs.                                                  |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Mind Bomb 2/MIB2<br>Ala418-Lys520<br>Accession # Q96AX9 |
| Product Application Details |                                                                                                   |
| Applications                | Immunocytochemistry                                                                               |
| Recommended Dilutions       | Immunocytochemistry                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                            |
