CD163 Antibody (612722) [HRP]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Monoclonal                                                                                       |
| Clone                       | 612722                                                                                           |
| Preservative                | No Preservative                                                                                  |
| Isotype                     | IgG2b                                                                                            |
| Conjugate                   | HRP                                                                                              |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                       |
| Buffer                      | PBS                                                                                              |
| Product Description         |                                                                                                  |
| Host                        | Rat                                                                                              |
| Gene ID                     | 9332                                                                                             |
| Species                     | Mouse                                                                                            |
| Specificity/Sensitivity     | Detects mouse CD163 in direct ELISA.                                                             |
| Immunogen                   | Mouse myeloma cell line, NS0-derived recombinant mouse CD163 Val39-Thr1045<br>Accession # Q2VLH6 |
| Product Application Details |                                                                                                  |
| Applications                | Western Blot, Immunocytochemistry                                                                |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
