**FAB7510H**

Fetuin A/AHSG Antibody (774761) [HRP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 774761                                                                                      |
| Preservative        | No Preservative                                                                             |
| Isotype             | IgG1                                                                                        |
| Conjugate           | HRP                                                                                         |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                                |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                          |
| Gene ID                 | 197                                                                                                                                                                            |
| Gene Symbol             | AHSG                                                                                                                                                                           |
| Species                 | Rat                                                                                                                                                                            |
| Specificity/Sensitivity | Detects rat Fetuin A/AHSG in direct ELISAs. In direct ELISAs and Western blots, no cross-reactivity with recombinant human Fetuin A or recombinant mouse Fetuin A is observed. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant rat Fetuin A/AHSG Ala19-I352<br>Accession # P24090                                                                             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
