S1P3/EDG-3 Antibody (776807) [Allophycocyanin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 776807                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | Allophycocyanin                                                                             |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                     |
|-------------------------|-------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                               |
| Gene ID                 | 1903                                                                                |
| Gene Symbol             | S1PR3                                                                               |
| Species                 | Human                                                                               |
| Specificity/Sensitivity | Detects human S1P3/EDG□3 in direct ELISAs.                                          |
| Immunogen               | NS0 mouse myeloma cell line transfected with human S1P3/EDG□3<br>Accession # Q99500 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Immunohistochemistry                                                   |
| Recommended Dilutions       | Immunohistochemistry                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
