**FAB7569H**

Caldesmon/CALD1 Antibody (767001) [HRP]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Monoclonal                                                                                       |
| Clone                       | 767001                                                                                           |
| Preservative                | No Preservative                                                                                  |
| Isotype                     | IgG2b                                                                                            |
| Conjugate                   | HRP                                                                                              |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                       |
| Buffer                      | PBS                                                                                              |
| Product Description         |                                                                                                  |
| Host                        | Mouse                                                                                            |
| Gene ID                     | 800                                                                                              |
| Gene Symbol                 | CALD1                                                                                            |
| Species                     | Human                                                                                            |
| Specificity/Sensitivity     | Detects human Caldesmon/CALD1 in direct ELISAs and Western blots.                                |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Caldesmon/CALD1<br>Lys696-Val793<br>Accession # Q05682 |
| Product Application Details |                                                                                                  |
| Applications                | Western Blot, Immunohistochemistry, Immunocytochemistry                                          |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Immunocytochemistry                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
