**FAB7739P**

Drebrin 1 Antibody (838102) [PE]

| Product Information         |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                     | Store at 4C in the dark.                                                                               |
| Clonality                   | Monoclonal                                                                                             |
| Clone                       | 838102                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                     |
| Isotype                     | IgG1                                                                                                   |
| Conjugate                   | PE                                                                                                     |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                             |
| Buffer                      | PBS                                                                                                    |
| Product Description         |                                                                                                        |
| Host                        | Mouse                                                                                                  |
| Gene ID                     | 1627                                                                                                   |
| Gene Symbol                 | DBN1                                                                                                   |
| Species                     | Human                                                                                                  |
| Specificity/Sensitivity     | Detects human Drebrin 1 in ELISAs.                                                                     |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Drebrin 1<br>Asn482-Asp649 (Ser553Pro)<br>Accession # Q16643 |
| Product Application Details |                                                                                                        |
| Applications                | Western Blot, Immunocytochemistry                                                                      |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
