| Clonality                   | Monoclonal                                                                                                                          |
| Clone                       | 667136                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                  |
| Isotype                     | IgG2a                                                                                                                               |
| Conjugate                   | PerCP                                                                                                                               |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                          |
| Buffer                      | PBS                                                                                                                                 |
| Product Description         |                                                                                                                                     |
| Host                        | Mouse                                                                                                                               |
| Gene ID                     | 55553                                                                                                                               |
| Gene Symbol                 | SOX6                                                                                                                                |
| Species                     | Human                                                                                                                               |
| Specificity/Sensitivity     | Detects human SOX6 in direct ELISAs. In direct ELISAs, no cross-reactivity with recombinant human (rh) SOX5 or rhSOX13 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human SOX6<br>Met1-Leu339<br>Accession # P35712                                                 |
| Product Application Details |                                                                                                                                     |
| Applications                | Immunocytochemistry                                                                                                                 |
| Recommended Dilutions       | Immunocytochemistry                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                              |
