DC-SIGN/CD209 Antibody (MMD3) [Biotin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | MMD3                                                                                        |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2c                                                                                       |
| Conjugate           | Biotin                                                                                      |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                           |
|-------------------------|---------------------------------------------------------------------------|
| Host                    | Mouse                                                                     |
| Gene ID                 | 30835                                                                     |
| Gene Symbol             | Cd209a                                                                    |
| Species                 | Mouse                                                                     |
| Marker                  | Dendritic Cell Marker                                                     |
| Specificity/Sensitivity | Detects mouse DC-SIGN/CD209 in direct ELISAs.                             |
| Immunogen               | Purified mouse DC-SIGN/CD209 extracellular domain<br>Accession # FJ168685 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, CyTOF-ready                                            |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
