MRGPRF Antibody (916219) [Janelia Fluor® 635]

| Product Information         |                                                                                                                                                                        |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                            |
| Storage                     | Store at 4C in the dark.                                                                                                                                               |
| Clonality                   | Monoclonal                                                                                                                                                             |
| Clone                       | 916219                                                                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                     |
| Isotype                     | IgG1                                                                                                                                                                   |
| Conjugate                   | Janelia Fluor 635                                                                                                                                                      |
| Purity                      | 0                                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                     |
| Product Description         |                                                                                                                                                                        |
| Host                        | Mouse                                                                                                                                                                  |
| Gene ID                     | 116535                                                                                                                                                                 |
| Gene Symbol                 | MRGPRF                                                                                                                                                                 |
| Species                     | Human                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects HEK293 human embryonic kidney cell line transfected with human MRGPRF by Flow Cytometry. Does not detect untransfected or irrelevant transfected HEK293 cells. |
| Immunogen                   | NS0 mouse myeloma cell line transfected with human MRGPRF Met1-Ser343<br>Accession # NP_659452                                                                         |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                  |
| Product Application Details |                                                                                                                                                                        |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready                                                                                                                              |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                 |
