CXCR7/RDC-1 Antibody (896032) [HRP]

| CXCR7/RDC-1 Antibody (896032) [HRP] |  |
|-------------------------------------|--|
| Product Information                 |  |
| Unit Size                           | 0.1 ml   |
| Concentration                       | Please see the vial label for concentration. If unlisted please contact technical services.    |
| Storage                             | Store at 4C in the dark.   |
| Clonality                           | Monoclonal   |
| Clone                               | 896032   |
| Preservative                        | No Preservative  |
| Isotype                             | IgG2a  |
| Conjugate                           | HRP  |
| Purity                              | 0  |
| Buffer                              | PBS  |
| Product Description                 |  |
| Host                                | Mouse  |
| Gene ID                             | 57007  |
| Gene Symbol                         | CXCR7  |
| Species                             | Rat  |
| Specificity/Sensitivity             | Stains rat CXCR7/RDC-1 transfectants but not irrelevant transfectants in flow cytometry.       |
| Immunogen                           | NS0 mouse myeloma cell line transfected with rat CXCR7/RDC-1 Met1-Lys362 Accession # NP_445804 |
| Product Application Details         |  |
| Applications                        | Flow Cytometry, CyTOF-ready  |
| Recommended Dilutions               | Flow Cytometry, CyTOF-ready  |
| Application Notes                   | Optimal dilution of this antibody should be experimentally determined.                         |
|                                     |  |
