Bax Antibody (127606) [Allophycocyanin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 127606                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | Allophycocyanin                                                                             |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                              |
|-------------------------|------------------------------------------------------------------------------|
| Host                    | Mouse                                                                        |
| Gene ID                 | 581                                                                          |
| Gene Symbol             | BAX                                                                          |
| Species                 | Human                                                                        |
| Specificity/Sensitivity | Detects full-length human Bax in Western blots.                              |
| Immunogen               | <i>E. coli</i> -derived recombinant human Bax aa 1-171<br>Accession # Q07812 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunocytochemistry, Knockout Validated                  |
| Recommended Dilutions       | Western Blot, Immunocytochemistry, Knockout Validated                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
