NFIL3 Antibody (714401) [DyLight 650]

| Product Information         |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                     | Store at 4C in the dark.                                                                     |
| Clonality                   | Monoclonal                                                                                   |
| Clone                       | 714401                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                           |
| Isotype                     | IgG1                                                                                         |
| Conjugate                   | DyLight 650                                                                                  |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                   |
| Buffer                      | 50mM Sodium Borate                                                                           |
| Product Description         |                                                                                              |
| Host                        | Mouse                                                                                        |
| Gene ID                     | 4783                                                                                         |
| Gene Symbol                 | NFIL3                                                                                        |
| Specificity/Sensitivity     | Detects human NFIL3/E4BP4 in direct ELISAs.                                                  |
| Immunogen                   | <i>E. coli</i> -derived recombinant human NFIL3/E4BP4<br>Lys140-Gly462<br>Accession # Q16649 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.            |
| Product Application Details |                                                                                              |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                       |
