CXCR1/IL-8RA Antibody (1122A) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 1122A                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                  |
|-------------------------|----------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                           |
| Gene ID                 | 3577                                                                             |
| Gene Symbol             | CXCR1                                                                            |
| Species                 | Mouse                                                                            |
| Specificity/Sensitivity | Detects mouse CXCR1 transfectants but not CXCR2 transfectants by flow cytometry. |
| Immunogen               | Mouse CXCR1/IL-8 RA Peptide<br>Accession # Q810W6                                |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry                                                         |
| Recommended Dilutions       | Flow Cytometry                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
