Gas6 Antibody (100130) [FITC]

| Product Information         |                                                                                                      |
|-----------------------------|------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.          |
| Storage                     | Store at 4C in the dark.                                                                             |
| Clonality                   | Monoclonal                                                                                           |
| Clone                       | 100130                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                   |
| Isotype                     | IgG2b                                                                                                |
| Conjugate                   | FITC                                                                                                 |
| Purity                      | Protein A or G purified from cell culture supernatant                                                |
| Buffer                      | PBS                                                                                                  |
| Product Description         |                                                                                                      |
| Host                        | Mouse                                                                                                |
| Gene ID                     | 2621                                                                                                 |
| Species                     | Human                                                                                                |
| Specificity/Sensitivity     | Detects human Gas6 in direct ELISAs.                                                                 |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Gas6<br>Asp118-Ala678<br>Accession # NP_000811 |
| Product Application Details |                                                                                                      |
| Applications                | ELISA                                                                                                |
| Recommended Dilutions       | ELISA                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                               |
