**FAB8898L**

Relaxin R1/LGR7 Antibody (933344) [DyLight 550]

| Product Information         |                                                                                                            |
|-----------------------------|------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                |
| Storage                     | Store at 4C in the dark.                                                                                   |
| Clonality                   | Monoclonal                                                                                                 |
| Clone                       | 933344                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                         |
| Isotype                     | IgG1                                                                                                       |
| Conjugate                   | DyLight 550                                                                                                |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                         |
| Product Description         |                                                                                                            |
| Host                        | Mouse                                                                                                      |
| Gene ID                     | 59350                                                                                                      |
| Gene Symbol                 | RXFP1                                                                                                      |
| Species                     | Human, Mouse, Rat                                                                                          |
| Specificity/Sensitivity     | Detects human Relaxin R1 in direct ELISAs and detects human, mouse, and rat Relaxin R1 in Western blots.   |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human Relaxin R1 Met1-Ser398<br>Accession # Q9HBX9 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                          |
| Product Application Details |                                                                                                            |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                                            |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                     |
