**FAB894A**

Bcl-xL Antibody (2052A) [Allophycocyanin]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Monoclonal                                                                                       |
| Clone                       | 2052A                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                               |
| Isotype                     | IgG                                                                                              |
| Conjugate                   | Allophycocyanin                                                                                  |
| Purity                      | Protein A or G purified from cell culture supernatant                                            |
| Buffer                      | PBS                                                                                              |
| Product Description         |                                                                                                  |
| Host                        | Rabbit                                                                                           |
| Gene ID                     | 598                                                                                              |
| Species                     | Human, Mouse, Rat                                                                                |
| Specificity/Sensitivity     | Detects human Bcl-xL in direct ELISAs and detects human, mouse, and rat Bcl-xL in Western blots. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Bcl-xL Met1-Arg212<br>Accession # Q07817               |
| Product Application Details |                                                                                                  |
| Applications                | Western Blot, Immunohistochemistry                                                               |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
