**FAB9011A**

MMP-1 Antibody (40013F) [Allophycocyanin]

| Product Information         |                                                                                                   |
|-----------------------------|---------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.       |
| Storage                     | Store at 4C in the dark.                                                                          |
| Clonality                   | Monoclonal                                                                                        |
| Clone                       | 40013F                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                |
| Isotype                     | IgG                                                                                               |
| Conjugate                   | Allophycocyanin                                                                                   |
| Purity                      | Protein A or G purified from cell culture supernatant                                             |
| Buffer                      | PBS                                                                                               |
| Product Description         |                                                                                                   |
| Host                        | Goat                                                                                              |
| Gene ID                     | 4312                                                                                              |
| Species                     | Human                                                                                             |
| Specificity/Sensitivity     | Detects human MMP-1 in direct ELISAs and Western blots.                                           |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human MMP-1<br>Phe20-Asn469<br>Accession # P03956 |
| Product Application Details |                                                                                                   |
| Applications                | Western Blot, Knockout Validated                                                                  |
| Recommended Dilutions       | Western Blot, Knockout Validated                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                            |
