UVRAG Antibody (953035) [Janelia Fluor® 585]

| Product Information         |                                                                                                            |
|-----------------------------|------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                |
| Storage                     | Store at 4C in the dark.                                                                                   |
| Clonality                   | Monoclonal                                                                                                 |
| Clone                       | 953035                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                         |
| Isotype                     | IgG1                                                                                                       |
| Conjugate                   | Janelia Fluor 585                                                                                          |
| Purity                      | 0                                                                                                          |
| Buffer                      | 50mM Sodium Borate                                                                                         |
| Product Description         |                                                                                                            |
| Host                        | Mouse                                                                                                      |
| Gene ID                     | 7405                                                                                                       |
| Species                     | Human                                                                                                      |
| Specificity/Sensitivity     | Detects human UVRAG in direct ELISAs.                                                                      |
| Immunogen                   | Human UVRAG synthetic peptide corresponding to sequences between amino acids 260-360<br>Accession # Q9P2Y5 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                      |
| Product Application Details |                                                                                                            |
| Applications                | Flow Cytometry, CyTOF-ready                                                                                |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                     |
