**FAB9334H**

ACE-2 Antibody (379131) [HRP]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | 379131                                                                                      |
| Preservative                | No Preservative                                                                             |
| Isotype                     | IgG2b                                                                                       |
| Conjugate                   | HRP                                                                                         |
| Purity                      | 0                                                                                           |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Rat                                                                                         |
| Gene ID                     | 59272                                                                                       |
| Species                     | Human                                                                                       |
| Specificity/Sensitivity     | Detects human ACE-2 in direct ELISAs.                                                       |
| Immunogen                   | Mouse myeloma cell line, NS0-derived human ACE-2<br>Gln18-Ser740<br>Accession # Q9BYF1      |
| Product Application Details |                                                                                             |
| Applications                | Flow Cytometry, CyTOF-ready                                                                 |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
