BTNL8 Antibody (2187B) [Janelia Fluor® 646]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 2187B                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Janelia Fluor 646                                                                           |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                   |
|-------------------------|---------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                            |
| Gene ID                 | 79908                                                                                             |
| Species                 | Human                                                                                             |
| Specificity/Sensitivity | Detects human BTNL8 in direct ELISAs and Western blots.                                           |
| Immunogen               | Human embryonic kidney cell line HEK-293-derived Human BTNL8 Gln18-Lys238<br>Accession # Q6UX41-1 |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Simple Western, Flow Cytometry                           |
| Recommended Dilutions       | Western Blot, Simple Western, Flow Cytometry                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
