**FAB9420H**

Irisin/FNDC5 Antibody (936434) [HRP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 936434                                                                                      |
| Preservative        | No Preservative                                                                             |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | HRP                                                                                         |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                               |
|-------------------------|---------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                         |
| Gene ID                 | 252995                                                                                                        |
| Species                 | Human                                                                                                         |
| Specificity/Sensitivity | Detects human Irisin/FNDC5 in direct ELISAs.                                                                  |
| Immunogen               | Chinese hamster ovary cell line CHO-derived recombinant human Irisin/FNDC5 Asp32-Glu143<br>Accession # Q8NAU1 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | ELISA, Flow Cytometry, Immunohistochemistry, CyTOF-ready               |
| Recommended Dilutions       | Flow Cytometry, ELISA, Immunohistochemistry, CyTOF-ready               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
