**FAB9494Y**

FAIM3 Antibody (992338) [DyLight 680]

| Product Information         |                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                           |
| Storage                     | Store at 4C in the dark.                                                                                              |
| Clonality                   | Monoclonal                                                                                                            |
| Clone                       | 992338                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                    |
| Isotype                     | IgG2b                                                                                                                 |
| Conjugate                   | DyLight 680                                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                    |
| Product Description         |                                                                                                                       |
| Host                        | Mouse                                                                                                                 |
| Gene ID                     | 9214                                                                                                                  |
| Species                     | Human, Mouse, Rat                                                                                                     |
| Specificity/Sensitivity     | Detects human Fc mu R/FAIM3 in direct ELISAs. Detects human, mouse, and rat Fc mu R/FAIM3 in Western blots.           |
| Immunogen                   | Human embryonic kidney cell line HEK293-derived recombinant human Fc mu R/FAIM3<br>Arg18-Gly251<br>Accession # O60667 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                     |
| Product Application Details |                                                                                                                       |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready                                                                             |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                |
