| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                             |
| Isotype                     | IgG2a                                                                                                                                                                                                                                          |
| Conjugate                   | Allophycocyanin                                                                                                                                                                                                                                |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                                                                     |
| Buffer                      | PBS                                                                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                                                                |
| Host                        | Mouse                                                                                                                                                                                                                                          |
| Species                     | Multi-Species                                                                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects Aducanumab in Western blots and direct ELISAs. In direct ELISAs, no cross-reactivity with Cetuximab, Ibritumomab, Rituximab, Trastuzumab, Adalimumab, Tositumomab, Brentuximab, Gemtuzumab, Solanezumab, and Teprotumumab is observed. |
| Immunogen                   | Full length Aducanumab                                                                                                                                                                                                                         |
| Product Application Details |                                                                                                                                                                                                                                                |
| Applications                | Western Blot, ELISA                                                                                                                                                                                                                            |
| Recommended Dilutions       | Western Blot, ELISA                                                                                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                         |
