| Clonality                   | Monoclonal                                                                                                                                    |
| Clone                       | 611825                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                            |
| Isotype                     | IgG2a                                                                                                                                         |
| Conjugate                   | DyLight 550                                                                                                                                   |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                    |
| Buffer                      | 50mM Sodium Borate                                                                                                                            |
| Product Description         |                                                                                                                                               |
| Host                        | Mouse                                                                                                                                         |
| Gene ID                     | 846                                                                                                                                           |
| Species                     | Human                                                                                                                                         |
| Specificity/Sensitivity     | Detects human Calcium-sensing R/CaSR protein in direct ELISAs.                                                                                |
| Immunogen                   | Mouse myeloma cell line NS0-derived transfected with recombinant human Calcium-sensing R/CaSR protein<br>Tyr20-Lys601<br>Accession # P41180-1 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                             |
| Product Application Details |                                                                                                                                               |
| Applications                | Flow Cytometry, CyTOF-ready                                                                                                                   |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                        |
