NIF1 Antibody [Biotin]

| Product Information         |                                                                                                                                                                                         |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                                             |
| Storage                     | Store at 4C in the dark.                                                                                                                                                                |
| Clonality                   | Polyclonal                                                                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                                                     |
| Conjugate                   | Biotin                                                                                                                                                                                  |
| Purity                      | Immunogen affinity purified                                                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                         |
| Host                        | Rabbit                                                                                                                                                                                  |
| Gene ID                     | 63925                                                                                                                                                                                   |
| Gene Symbol                 | ZNF335                                                                                                                                                                                  |
| Species                     | Human, Mouse                                                                                                                                                                            |
| Immunogen                   | The immunogen recognized by this antibody maps to a region between residue 300 and 350 of human NRC-Interacting Factor 1 using the numbering given in entry NP_071378.1 (GenelD 63925). |
| Notes                       | [PUBLIC NOTES]                                                                                                                                                                          |
| Product Application Details |                                                                                                                                                                                         |
| Applications                | Immunohistochemistry, Immunoprecipitation, Knockout Validated, Western Blot (Negative)                                                                                                  |
| Recommended Dilutions       | Immunohistochemistry, Immunoprecipitation, Western Blot (Negative), Knockout Validated                                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                  |
