SHPRH Antibody [DyLight 650]

| Product Information         |                                                                                                                                    |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                        |
| Storage                     | Store at 4C in the dark.                                                                                                           |
| Clonality                   | Polyclonal                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                                 |
| Isotype                     | IgG                                                                                                                                |
| Conjugate                   | DyLight 650                                                                                                                        |
| Purity                      | Immunogen affinity purified                                                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                                                 |
| Product Description         |                                                                                                                                    |
| Host                        | Rabbit                                                                                                                             |
| Gene ID                     | 257218                                                                                                                             |
| Gene Symbol                 | SHPRH                                                                                                                              |
| Species                     | Mouse                                                                                                                              |
| Reactivity Notes            | Mouse.                                                                                                                             |
| Specificity/Sensitivity     | This is specific for SHPRH.                                                                                                        |
| Immunogen                   | Residues 515-535 (DKTKKQAVGSPRKIEKELRKS) of the mouse SHPRH protein. 95% sequence identity to rat. 90% sequence identity to human. |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                  |
| Product Application Details |                                                                                                                                    |
| Applications                | Western Blot                                                                                                                       |
| Recommended Dilutions       | Western Blot                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                             |
