SAP30L Antibody [Janelia Fluor® 585]

| Product Information         |                                                                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                         |
| Storage                     | Store at 4C in the dark.                                                                                                                            |
| Clonality                   | Polyclonal                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                 |
| Conjugate                   | Janelia Fluor 585                                                                                                                                   |
| Purity                      | Immunogen affinity purified                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                  |
| Product Description         |                                                                                                                                                     |
| Host                        | Rabbit                                                                                                                                              |
| Gene ID                     | 79685                                                                                                                                               |
| Gene Symbol                 | SAP30L                                                                                                                                              |
| Species                     | Human                                                                                                                                               |
| Reactivity Notes            | This antibody reacts with wild-type transfected and endogenous human SAP30L protein. This antibody does not react with endogenous non-human SAP30L. |
| Specificity/Sensitivity     | This is specific for SAP30L.                                                                                                                        |
| Immunogen                   | A synthetic peptide made to residues 165-183 (VKSNKSRLDQKSEGGKQLE) of human SAP30L.                                                                 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                               |
| Product Application Details |                                                                                                                                                     |
| Applications                | Western Blot                                                                                                                                        |
| Recommended Dilutions       | Western Blot                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                              |
